**PETITION UNDER 37 C.F.R. § 182 FOR ACCEPTANCE OF  
INVENTOR STEPHANIE GYPPAZ (STEPHANIE DUCHIRON) DECLARATION**

ATTN: Cynthia M. Kratz  
Mail Stop - PCT  
Commissioner For Patents  
Office of PCT Legal Administration  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the Decision On Petition Under 37 C.F.R. § 147(a) which vacated the Notice of Abandonment of February 25, 2008. (Copy attached as Exhibit A, p. 2). The Decision further stated that this application will be held in the Office of Patent Cooperation Treaty Legal Administration awaiting applicant's further reply to the Decision. (*Id.*). Accordingly, this response is believed timely filed upon facsimile, with an executed certificate of facsimile.

Authorization is hereby granted to charge the amount of \$400.00 in payment of the fee required for a Petition under 37 C.F.R. § 182 (See 37 C.F.R. § 1.17(f)), to

Deposit Account No. 50-2547. It is not believed that this response occasions any request for an extension of time or that any additional fees are due, but should there be any request for extension of time necessary or any additional fees due, such request for extension of time is hereby made and authorization is hereby granted to charge the fee for the same to Deposit Account No. 50-2547.

In the Decision on Petition, it was stated that five of the six complete declarations submitted previously fully complied with the requirements of 37 C.F.R. § 1.497(a). (Exhibit A, p. 2). However, the declaration of inventor "Stephanie Duchiron," whose married name is now "Stephanie Gyppaz," was stated to be unacceptable because, although the declaration clearly and expressly identified "Stephanie Gyppaz" as the former "Stephanie Duchiron" ("maiden name, Stephanie Duchiron"), "no explanation was provided" for the difference in names. (*Id.*).

Undersigned counsel telephoned Ms. Cynthia M. Kratz, Attorney Advisor of the PCT Legal Office, to request clarification and guidance for responding to the Decision. Undersigned counsel specifically explained that the signed and sworn Declaration clearly and expressly shows the reason for signing of the name "Stephanie Gyppaz" rather than "Stephanie Duchiron". Ms. Duchiron has been married since the original application was filed and her name has changed to Mrs. Gyppaz. This is clearly shown on the Declaration which appears as shown below:

FULL NAME OF SOLE INVENTOR <b>Stephanie Gyppaz</b> (maiden name Stephanie Duchiron)	INVENTOR'S SIGNATURE 	DATE <b>27.02.07</b>
RESIDENCE <b>24 rue du Loing, 45200 Montargis, France</b>		CITIZENSHIP <b>French</b>
POST OFFICE ADDRESS <b>24 rue du Loing, 45200 Montargis, France</b>		

Ms. Kratz advised undersigned counsel to fashion this submission as a Petition Under Rule 37 C.F.R. § 182 and to address it to her attention. Accordingly, submitted herewith again is a copy of the complete executed declaration of Stephanie Gyppaz (formerly known as Stephanie Duchiron). (Exhibit B).

Thus, for the foregoing reasons, it is respectfully submitted that the Declaration submitted herewith fully complies with the requirements set forth in the Decision On Petition Under 37 C.F.R. § 1.47(a) mailed May 6, 2008, in that the reason for the new name is plain on the face of the Declaration. Hence, it is requested that the Declaration be approved for the above identified application.

If the Attorney Advisor has any questions regarding this submission, she is respectfully requested to contact undersigned counsel at the address below at her convenience.

I hereby certify that this correspondence is being transmitted via Facsimile Transmission to : Office of PCT Legal Administration, Facsimile No. 1-571-273-0459. It is also being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Mail Stop – PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. DECISION ON  
PETITION UNDER  
37 CFR 1.497(a)

This is a decision on applicant's Petition under 37 CFR 1.497(a) regarding submission of executed Declarations filed on 05 March 2008 in the United States Patent and Trademark Office (USPTO). Applicant's request for a five month extension of time is granted.

**BACKGROUND**

On 15 September 2005, applicants filed a petition under 37 CFR 1.47(a).

On 23 January 2006, a decision dismissing the petition under 37 CFR 1.47(a) was mailed, indicating that applicant had not demonstrated a diligent effort to locate the nonsigning inventor. Applicant was also advised that an executed declaration, signed on behalf of the joint inventors and the nonsigning inventor, was not found among the papers submitted on 15 September 2005.

On 23 March 2006, applicant submitted a declaration executed by the previously nonsigning inventor Stephanie Duchiron. In response to a telephone call from the undersigned, on 22 August 2006, applicant provided a copy of the declaration, which was executed by six of seven joint inventors.

On 01 September 2007, a decision was mailed to applicant dismissing the petition under 37 CFR 1.47(a) as moot and indicating that newly executed declarations were required.

On 25 February 2008, a Notification of Abandonment was erroneously mailed to applicant, indicating that applicant had failed to respond to the Notification of Missing Requirements.

On 07 March 2008, applicant filed a petition under 37 CFR 1.497(a) along with six newly executed declarations and a request for a five month extension of time.

### DISCUSSION

Applicant submitted six complete declarations. Upon review, five declarations are in compliance with 37 CFR 1.497(a) and executed by one or more inventors. Thus, these declarations are now acceptable.

However, one declaration indicated the name of fourth inventor "Stephanie Gyppaz (maiden name Stephanie Duchiron)" and was signed as Stephanie Gyppaz. However, the published international application identified the inventor as Stephanie Duchiron. No explanation was provided.

A petition under 37 CFR 1.182 is required to accept the change in the name of the inventor. As explained in MPEP 605.04(c), applicant must provide a signed affidavit setting forth both names and the procedure whereby the change of name was effected, or a certified copy of the court order. The declaration, indicating Stephanie Duchiron as an inventor, is not in compliance with 37 CFR 1.497 and unacceptable at this time.

The requirements of 37 CFR 1.497(a) and (b) have not been met and the declaration executed by Stephanie Gyppaz is unacceptable at this time.

### CONCLUSION

The 25 February 2008 Notification of Abandonment is hereby VACATED.

Five declarations submitted on 05 March 2008 are in compliance with 37 CFR 1.497(a) and (b) and are acceptable. However, as set forth above, a petition under 37 CFR 1.181 is required.

The application will be held in the Office of Patent Cooperation Treaty Legal Administration to await applicant's further reply.
